THE A.B. CHARITABLE TRUST

TRUSTEES' REPORT

The Trustees present their report and accounts for the year ended 30th April, 2017. The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charity's Trust Deed, the Charities Act 2011 and the Statement of Recommended Practice: *Accounting and Reporting by Charities* preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) issued on 16th July, 2014. The report takes account of the requirement for Trustees to report annually on public benefit and the Trustees have had regard to the Charity Commission's guidance on public benefit.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Trust ("the Charity") is an unincorporated trust, constituted under a Trust Deed dated 30th March, 1990 and is a registered charity, number 1000147. The Charity was established by an initial gift from Yves Jean Marc Bonavero ("the Settlor") in 1990. The Charity does not actively fundraise and seeks to continue the philanthropic work desired by the Settlor through the careful stewardship of its existing resources and ad hoc contributions.

The Trustees are appointed by the Settlor for an indefinite period. An amended Trust Deed dated 26th April, 2010 provides for a maximum of 12 Trustees.

At the quarterly Trustees' meetings, the Trustees agree the broad strategy and areas of activity for the Charity, including consideration of grant making, investment, reserves and risk management policies and performance. The day to day administration of grants and the processing and handling of applications prior to consideration by the Trustees is delegated to the Director.

The Trustees who served during the year were as follows: -

Mr. Y.J.M. Bonavero
Ms. A.G.M-L. Bonavero
Ms. C. Bonavero
Mr. O. Bonavero
Mr. P. Bonavero
Mr. P. Day
Mr. A. Harley
Ms. A. Swan Parente

RISK MANAGEMENT

The Trustees actively review any major risks which the Charity faces on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The Trustees have also examined other operational and business risks faced by the Charity and confirm that they have established systems to mitigate the most significant risks.

TRUSTEES' REPORT

OBJECTIVES, ACHIEVEMENTS AND PERFORMANCE

The objects of the A B Charitable Trust (ABCT) are to apply the income and all or such part or parts of the capital for or towards such charitable purposes and to make donations to such charitable institution or institutions at such time or such times and in such manner as the Trustees may in their absolute discretion think fit.

The Trustees have determined the aims of the Charity shall be to make grants to UK-registered charities that seek to promote and defend human dignity and human rights. ABCT's focus is on unpopular causes reaching the most vulnerable and marginalised in society.

ABCT continued to fund charities working with i) prisoners and penal reform; ii) migrants, refugees and asylum seekers; and iii) human rights, particularly access to justice. Many charities working in these fields find it increasingly hard to raise funds. In June Yves and Anne Bonavero decided to increase ABCT's annual funding level from £1 million to £1.5 million over the period 2016/17 – 2018/19. This was the first year of the uplift.

Last year ABCT funded the establishment of the Bonavero Institute of Human Rights at Oxford University. ABCT provided the University with an endowment to fund the Institute's Director and core staff. This joint initiative between the Faculty of Law and Mansfield College has been led by Mansfield's Principal Baroness Helena Kennedy QC. Building work in the grounds of the College is on target and on budget. Judge Catherine O'Regan, the inaugural Director, started work in October. The Institute's focus is on the development of world class research in human rights law, broadly defined, and on the facilitation of links between research and practice. This bridge-building between scholarship and practice is central to the Institute's mission and includes helping students gain practical experience (e.g. through internships) and helping practitioners learn about and draw on the outstanding research taking place at in Oxford.

ABCT's Article 8 Deportation Advice (ADAP) project had its third and final year of operation. ADAP was run by Bail for Immigration Detainees (BID) and jointly funded by Unbound Philanthropy. The project focused on the deportation of Foreign National offenders. During the year BID supported 123 clients. The project deploys a combination of legal advice, self help materials, and representation of the most vulnerable and compelling cases. Twelve appeals were heard, of those five were successful. Of the remainder one was refused and the rest awaited hearings. The Home Office still seems to appeal every appeal they lose. The project is now fully mainstreamed within BID, which is now regarded as leading the field in terms of knowledge about deportation matters.

At a critical time for human rights in the UK, Liberty is emerging as a powerful force under new leadership. As well as campaigning for human rights, the role of Liberty in scrutinizing new legislation line by line to ensure human rights protections are not watered down is essential given the legal implications of Brexit. Alongside Unbound Philanthropy, ABCT gave core funding to Liberty to enable the organisation to upscale its activities to help meet the gravity of current threats.

Greater Manchester Law Centre (GMLC) is a new community initiative which aims to help fill the gap left by the closure of seven out of Greater Manchester's former nine law centres as a result of funding cuts. GMLC was born out of a movement of people including residents, trade unionists, community groups, lawyers, students and academics. ABCT made a grant matched by the Legal Education Foundation which enabled GMLC to get on and appoint its first supervising solicitor.

THE A.B. CHARITABLE TRUST

TRUSTEES' REPORT

OBJECTIVES, ACHIEVEMENTS AND PERFORMANCE (continued)

Family reunion work is a key area of support for refugees, yet provision is both insufficient and patchy. The British Red Cross is leading a family reunion initiative which will have national reach and cover all aspects of family reunion work. As well as refugees, it includes both EU and non-EU migrants. The initiative, which is supported by a number of funders, will encourage organisations in the fragmented refugee and migrant sector to collaborate. ABCT provided a grant for the legal advice component of the project.

The debate on immigration rages on, yet the voices of migrants themselves are absent or ineffective. The Integration and Migration Exchange (IMiX) aims to build a more positive narrative on immigration in the UK by strengthening communications capacity in the refugee and migrant sector. IMiX initiated the recruitment of six new communications officers to form a network across six sector organisations (three core-funded by ABCT), who spend 20 per cent of their time together on IMiX-directed activities. To complement this work, ABCT agreed a grant to strengthen communications skills of senior leaders in key organisations, including those with the networked posts and others.

ABCT had a strategy review in September. Trustees confirmed support for the priorities described above, reflecting their continued commitment to the least popular causes. ABCT had changed and grown significantly during the previous three years. As well as responding to applications, it is increasingly taking part in new initiatives. Such work has been enabled by getting to know and work with a small number of key players from other trusts and foundations with similar interests. These two strands of work, the responsive programme and new initiatives, inform and complement each other. Trustees agreed a new Grants Manager post should be recruited for the responsive programme. The new Grants Manager was recruited in April and is due to start work in June 2017.

ABCT continued its cycle of Trustee visits to grantees. This has turned out to be a key mechanism for organisational learning, building relationships with grantees, and gaining greater understanding of their work and their challenges.

GRANT MAKING

Through ABCT's open application process the Trustees continued to give core grants to support small to medium-sized charities registered in the UK where the size of the grants made by ABCT can make a significant contribution. Larger grants were also given to support the initiatives described above.

The Trustees met quarterly, and in the year under review, awarded 79 grants with an average value of £14,145 to 79 charities, amounting to a total of £1,117,500 in response to 331 applications.

The grants are broken down by sector on pages 15 to 17. Refugees and asylum seekers received the highest proportion of the grants made.

PUBLIC BENEFIT

ABCT's aims were carried out for the public benefit. This was achieved through giving financial support to 79 charities working to improve the lives of vulnerable and marginalised groups. The Charity continued to demonstrate its commitment to funding unpopular causes.

THE A.B. CHARITABLE TRUST

TRUSTEES' REPORT

FINANCIAL REVIEW

ABCT is reliant on income from Gift Aid and other contributions. In the year under review income from Gift Aid (repayment via the H.M Revenue & Customs) and other contributions decreased from £8,661,250 to £477,500. Discretionary grants and donations of £1,117,500 were made by the Charity.

INVESTMENT POWERS AND POLICY

Apart from retaining a prudent amount in reserves each year most of the Charity's funds are spent in the short term. Having considered the options available, the Trustees invested available funds in bank deposits. The Trustees consider that the return on those deposits reflects current market conditions.

RESERVES POLICY

The Trustees aim to maintain sufficient free reserves to enable the Charity to maintain its grant making at its current level and, if possible, to increase it.

PLANS FOR THE FUTURE

At their strategy review in September ABCT Trustees confirmed their commitment to ABCT's niche work funding unpopular causes that often have access to justice as an underlying theme. As we encounter an increasingly negative narrative about refugees and asylum seekers, prisoners, and indeed the concept of human rights, ABCT's capacity to be flexible and responsive becomes even more essential. We will work to ensure our grant making complements other initiatives, and look out for opportunities to work with others in furtherance of common aims.

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE ACCOUNTS

Law applicable to charities in England and Wales requires the Trustees to prepare accounts for each financial year which give a true and fair view of the Charity's financial activities during the year and of its financial position at the end of the year. In preparing those accounts, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures # disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

THE A.B. CHARITABLE TRUST**TRUSTEES' REPORT****TRUSTEES' RESPONSIBILITIES IN RELATION TO THE ACCOUNTS** (continued)

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the Charity and enable them to ensure that the accounts comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The Trustees are responsible for the maintenance and integrity of the Charity and financial information included on the Charity's website.

THE A.B. CHARITABLE TRUST

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF

THE A.B. CHARITABLE TRUST

We have audited the accounts of The A.B. Charitable Trust for the year ended 30th April, 2017 which comprise the Statement of Financial Activities, Balance Sheet and related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Charity's Trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and the regulations made under Section 154 of that Act. Our audit work has been undertaken so that we might state to the Charity's Trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity's Trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Trustees and Auditors

As explained more fully in the statement of Trustees' Responsibilities (set out on pages 5 and 6), the Trustees are responsible for the preparation of the accounts which give a true and fair view.

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with regulations made under Section 154 of that Act. Our responsibility is to audit and express an opinion on the accounts in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the accounts sufficient to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Trustees; and the overall presentation of the accounts. In addition, we read all the financial and non-financial information in the Trustees' Report to identify material inconsistencies with the audited accounts and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies, we consider the implications for our report.

Opinion on the accounts

In our opinion the accounts:

- give a true and fair view of the state of the Charity's affairs as at 30th April, 2017 and of its incoming resources and applications of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Trustees' Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the accounts are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Approved by the Trustees of The A.B. Charitable Trust on

THE A.B. CHARITABLE TRUST

NOTES TO THE ACCOUNTS

30TH APRIL, 2017

1. ACCOUNTING POLICIES

a. Basis of preparation of accounts

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) issued on 16th July, 2014 and the Charities Act 2011.

The Trustees have chosen to early adopt the Update Bulletin 1 issued by the Charities Commission on 2nd February, 2016 which exempts the charity from the need to prepare a Statement of Cash Flows.

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

b. First time adoption of Charities SORP (FRS 102)

In preparing the accounts, the Trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 a restatement of comparative items was needed. No restatements were required. There were no significant adjustments needed from the net income/(expenditure) under the previous Generally Accepted Accounting Practice ("GAAP").

c. Income recognition

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised once received. In the event that a donation is subject to conditions that require a level of performance before the Charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the Charity and it is probable that those conditions will be fulfilled in the reporting period.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the bank.

d. Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings.

Grants payable are payments made to third parties in the furtherance of the charitable objectives of the Charity. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. The notification gives the recipient a reasonable expectation that they will receive the one-year or multi-year grant. Grant awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attached to that grant is outside of the control of the Charity.

THE A.B. CHARITABLE TRUST**NOTES TO THE ACCOUNTS****30TH APRIL, 2017****1. ACCOUNTING POLICIES** (continued)**e. Financial instruments**

The Charity has chosen to adopt Sections 11 and 12 of FRS 102 in respect of financial instruments.

Short term debtors and creditors

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the Statement of Financial Activities in 'administrative expenses'.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand.

Offsetting

Financial assets and liabilities are offset and the net amounts presented in the accounts when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Charitable activities

Cost of charitable activities comprises grants made.

f. Governance costs

Governance costs comprise all costs involving the public accountability of the Charity and its compliance with regulation and good practice. These costs include costs related to statutory audit fees together with other overhead costs.

g. Irrecoverable VAT

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

h. Funds structure

The Charity has a single permanent fund which is wholly unrestricted. The terms of the trust deed allow the income to be accumulated and the capital to be spent if the Trustees so determine.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed.

Unrestricted income funds comprise those funds which the Trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the Trustees, at their discretion, wish to create a fund for a specific purpose.

THE A.B. CHARITABLE TRUST**NOTES TO THE ACCOUNTS****30TH APRIL, 2017****2. RELATED PARTY TRANSACTIONS AND TRUSTEES' REMUNERATION**

The Trustees received no emoluments or reimbursement of expenses (2016 – nil). In the opinion of the Trustees there were no related party transactions falling to be disclosed in these accounts.

The Charity has no ultimate controlling party.
